### A Handsome Present

Some of our big-hearted fellows who never do anything except in a big hearted way, presented Rev. C. A. Ridley with a fine \$250 mare this morning. She is one of the most handsome and stylish animals ever seen on our streets, and when Mr. Ridley was approached by the Democrat man and asked what he knew about the proposition, he simply smiled from one ear to the other and said: "All I know is that my good and generous friends have, for some reason or other, presented me with this beautiful mare, and that I am the happiest man in town. Am going to preach tomorrow on How to Get Happy and Stay that Way, and want you to come out." And with face still in up, Mr. Ridley went on, but not until he had promised the Democrat full particulars soon as he had found them out himself.

### RAWLINGS CASE AGAIN.

Attorney Cooper Confident He Will Be Able to Save His Clients.

It has been notified that the case of J. H. Rawlings had reached the United States Supreme Court and had been decided. The hearing in the Supreme Court will be held up some time in October. It will have the same result and is to be taken up for a final decision on the docket.

Attorney Cooper is still convinced that he will be able to save the lives of the two men of the Lowndes conspiracy. For a long time and almost until the point he has declared the case. Rawlings is an insane man and this assertion was reiterated yesterday when it was notified that the

case was placed on the dockets in Washington.

There are evidences of stronger determination than ever in the mind of Attorney Cooper to fight for the lives of Milton and Jesse Rawlings. It is now clear that the fight will be carried to the last ditch. Mr. Cooper will go to Washington in time to be prepared ahead for the hearing.

### Bridges Blown Down

Havana, Sept. 7.—Two bridges on the Western Railway between Pinar Del Rio and San Luis, south of that city, were blown up with dynamite this morning. A force of men sent to repair the bridges, which were built of concrete and steel, was stopped by a body of rebels, numbering at least 500 men.

### To Whom It May Concern:

This is to certify that I am personally acquainted Mr. M. H. Hurst, now of Live Oak, and have known him from a school boy. I have had considerable business dealings with him, and have always found him truthful and honest.

I have been informed that he and his family are now sick and not able to help themselves. I commend them to the good people of Live Oak, should they need assistance to help them. When they get well and able, they will settle all claims against them.

C. L. LEGGETT, Greenville, Sept. 6.

### E. A. Crawford & Company

In today's paper appears the advertisement of E. A. Crawford & Co., brokers, who will open their office in Live Oak within the next few days. Mr. Crawford who will give this office his personal supervision, has offices in Tallahassee and Monticello, both to which have been very successful.

## NOTES FROM WELLBORN.

### Items of Interest Gathered By Our Correspondent In That Thriving Town.

C. B. Olliff has moved his stock of goods to the building formerly occupied by Smithson & Co., as a drug store, thus vacating the brick store building, which will be occupied by T. J. Hackney & Co., who are now taking stock preparatory to moving thereto. Their new goods are arriving daily, and by the time this is printed, they will probably be ready for business.

Miss Willie Hinely, of Madison, is spending a few days here with her brother, Joe Hinely. Miss Willie is a very pleasant young lady and is making friends of all who meet her.

Mr. and Mrs. Perry Mobley were in Wellborn a few days ago, with their little boy for medical treatment. A very small piece of steel was stuck in his eye, and was very painful at times. It was removed by Drs. Bothwell & Pennington. Sometime ago Mr. Mobley was taking a shoe from a horse he had purchased, and in doing so, a piece of steel, so small it could not be seen with the eye, flew and struck in the little boy's eye, making it necessary to carry him to physicians for relief.

Mr. Simpson Parnell went over Monday last to assist Prof. Mizelle in mowing hay. One of the knives on the machine became loose and he got down in front of the machine to tighten it up. He neglected to throw the machine out of gear and the mules made a step forward when the blade clipped Mr. Parnell's finger, cutting it pretty badly, but no bones were broken. However, he will have There is another story connected with this, and it's a snake story. While driving the machine, the blades cut off the head of a pretty fair sized rattlesnake, cutting off about four inches. Mr. Parnell thinks the snake was coiled when struck by the blades. The snake had nine rattles. Mr. Mizelle had just walked very near where the reptile was killed. God took care of Prof. Mizelle and his mules.

Mrs. Martha Riley, an aged widow lady, is quite sick at the home of Mr. and Mrs. Nathan Gaylord. She is an aunt of Mrs. Gaylord and these kind people will do all they can for her comfort. She is improving under the treatment of Dr. Bothwell. She is nearly eighty years of age.

Robert Stansel, of this county, and Nolan Helton, of Columbia county, two of our home boys, are here from the East Coast, where they have been at work on the extension of the East Coast railroad, eighty-five miles below Miami. They are off for a few days' recreation. They are looking well and appear to have been faring well. We are informed the vacation was given them by the company for their faithful services rendered.

Rev. Robert McDonald, of Georgia, is visiting his sister, Mrs. W. A. Tison, of this place, for a few days and while here he has assisted in two meetings and one on his way here. He is an able minister and eloquently spoken of by all. From here he goes to Alachua county to assist Rev. W. A. Tison in a protracted meeting and will then visit his nephew, W. E. Tison at High Springs, going from there to South Florida on business.

Town Marshal J. W. Morgan and R. M. Silas are repairing a part of the sidewalk in Wellborn. This is a much needed work.

Mr. F. L. Walter and Mr. John Dees are putting up the posts, and preparing to wire in the Wellborn cemetery. Part of the wire is on the ground and the remainder here in Wellborn, so this much needed work

is certain to soon be completed. W.

Miss Katie McGriff, after spending a short while in our city, the guest of Miss Allie Belle Spencer, returned home last week.

Miss Bertha Higginbotham, of Tampa, is the guest of Miss Ruth McLeran for a few days. Miss Bertha is quite an addition to the social affairs of Wellborn, and has made many friends while here.

Miss Willie Hinely, of Madison, sister of our friend, "Joe," visited her brother here on Monday returning Tuesday night. Miss Willie is a very charming young lady, and by the way, captivated one young man, unbeknowning to her, though she is a student of "Brenau University" at Gainesville, Ga., where she will return in a few days.

Miss Ruth McLeran visited Live Oak last Friday, bringing Miss Higginbotham home with her.

Misses Pearl Keith, Mamie Tyson and Zillah Gresham visited Live Oak last week.

C. R. McLeran, representative of the Punta Gorda Cigar Manufacturing Co., of Punta Gorda, made a business trip to Live Oak and Lake City this week. While these cigars are not familiar in this part of state, yet where they are once introduced they are there to stay.

Dr. Pennington left for a short stay in Georgia yesterday. We predict that he will have company on his return. Such a popular man as he. We wish to congratulate him in advance, and wish for him a long and happy life.

Happy Joe Hinely made a flying trip to Madison Sunday night, returning Monday morning, accompanied by his sister.

We understand C. R. McLeran has sold his interests with Dr. W. D. Downie, of this place. Mr. McLeran will continue with the Punta Gorda Cigar Manufacturing Company.

We are glad to learn that the Live Oak Steam Laundry is building up a fine business, and the class of work it is turning out compares favorably with that of the very best laundries in Florida. Manager Scarborough says he intends to improve his laundry until it ranks first of all in the State.

The hole at the corner of Highway and Ohio avenue closed up last at once before somebody is seriously injured. Those places should not be allowed to exist, as a change and would save the city a lot of money than it would cost to repair them.
